### CREATING A PROFILE IN MA RESPONDS

MA Responds is administered by the Massachusetts Department of Public Health and is a partnership that integrates local, regional, and statewide volunteer resources to identify, credential, train, and mobilize volunteers during a health-related emergency or event.

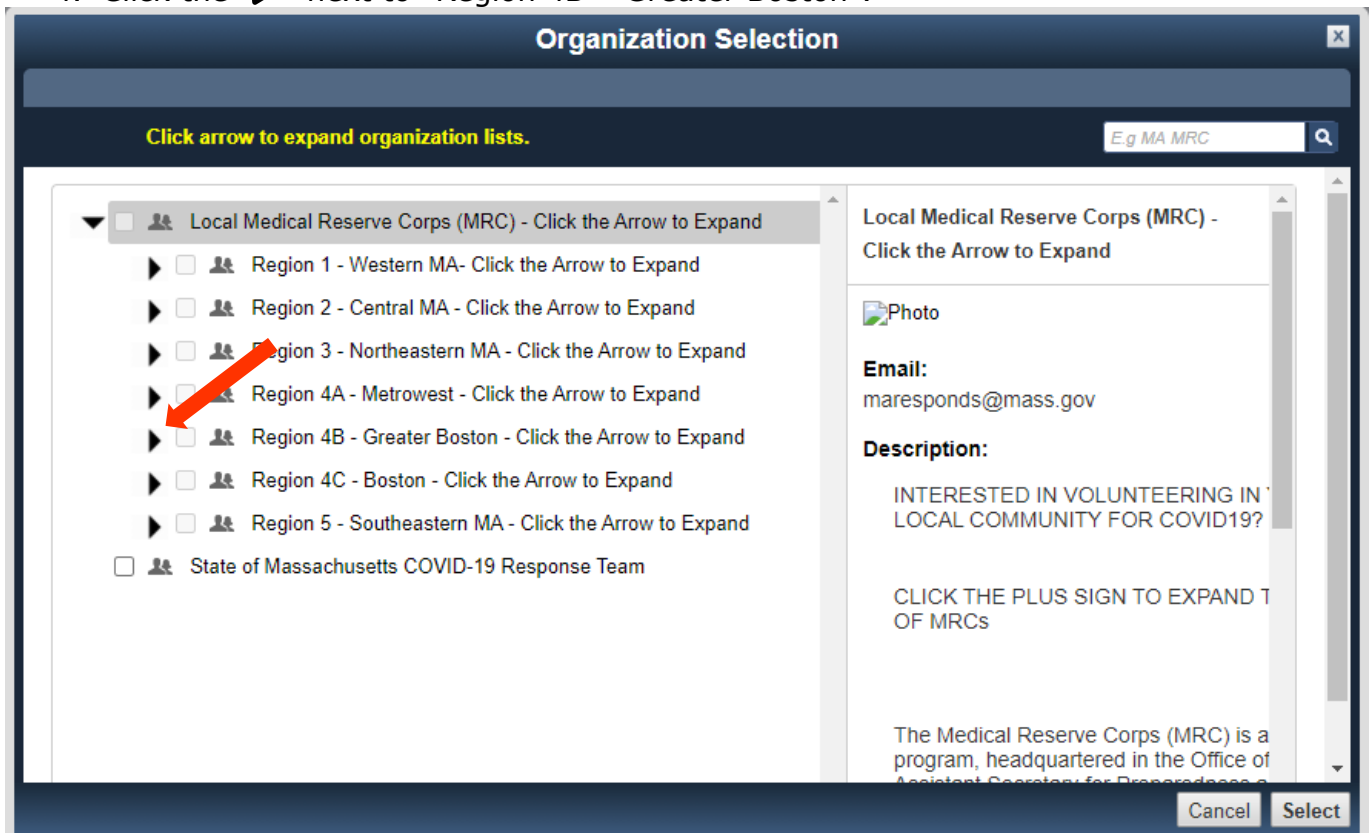

1. Visit [www.maresponds.org](http://www.maresponds.org) and click on the blue "Register Now" button.

2. To select Metro East MRC, click "Add Organization".

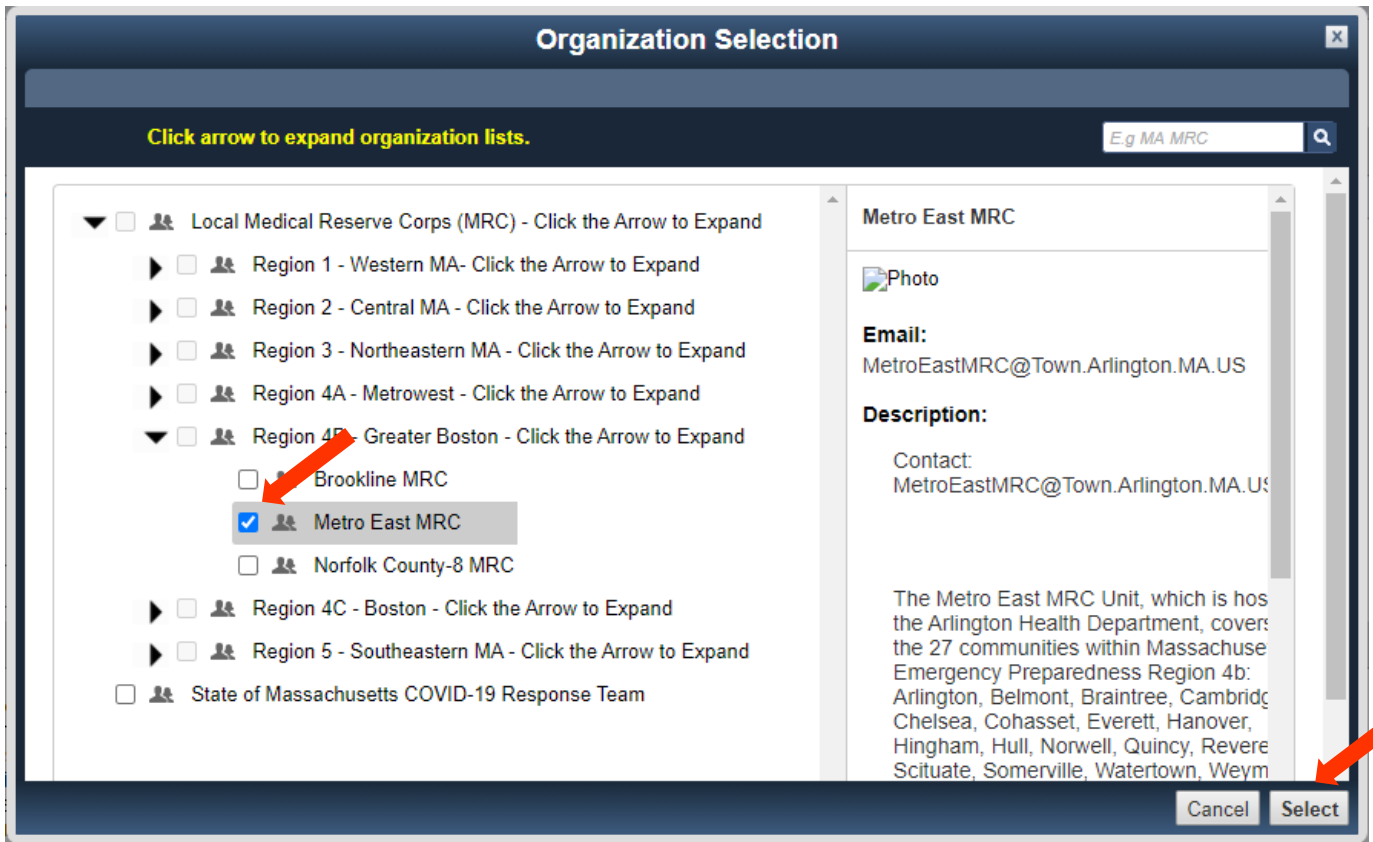

3. Click the "▶" next to "Local Medical Reserve Corps (MRC)"

4. Click the "▶" next to "Region 4B - Greater Boston".

5. Select the box next to "Metro East MRC", then click "Select".

6. Then, fill in all pertinent information for your profile and follow the system prompts.  
*\*Be sure to include your full license number in the appropriate section, if applicable.*
