

Operation Fast Vax: Critical Infrastructure Staff (CIS) Tabletop Exercise (TTX)

Tuesday, January 7, 2020, 12:30 p.m. to 4:30 p.m.

Snow Date: Monday, February 10

Koch Recreation Center, Community Room,
1 Merrymount Parkway, Quincy, MA

Join local public health to learn more about and provide input on local plans to provide vaccine to your agency's staff during an influenza pandemic!

Objectives for the tabletop exercise include:

1. Increase awareness of plans to administer vaccines to CIS during an influenza pandemic.
2. Assess plans to activate and set-up the CIS vaccine administration location.
3. Assess plans to store and secure vaccine at the CIS dispensing location.
4. Assess procedures for notifying and assembling vaccine administration staff and volunteers.
5. Assess workability of procedures to notify eligible CIS of vaccine availability.
6. Identify next steps for planning for CIS vaccine administration.

Register: <https://operationfastvaxquincy.eventbrite.com> by Monday, 12/30.

Approved for 3.25 CNE contact hours. Sanitarian CE credit pending.

Intended audience: Public Health, Law Enforcement, Fire, EMS, and Emergency Management representatives from the communities of Brookline, Cambridge, Chelsea, Everett, Quincy, Revere, Somerville, and Winthrop.

Funding for this exercise was made possible (in whole or in part) by the Centers for Disease Control and Prevention and/or the Assistant Secretary for Preparedness and Response. The views expressed in written exercise materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

This activity has been approved for 3.25 Continuing Nursing Education contact hours through JSI Research & Training Institute, Inc. Activity 37624.0001 Nurses should only claim credit commensurate with the extent of their participation in the activity.
